Dear Claire

Thank you for the note from the Examiner, the requests are all clear and understood. We will compile a response set of notes to each question raised. Mr Medhurst will make contact with Mr McPhail and agree a methodology for analysing the sensitivities around the hotel viability modelling and provide an appropriate narrative to the work. We propose to issue our full response to you by close on 19th June 2015.

We agree to consult on all our responses and will add them to the Examination Library, undertake a 4 week consultation from 19th June 2015 to 5.00pm on Friday 17th July 2015. We will place the notes and a notice requesting responses to East Hampshire District Council by the due date on our web site, in the local press and we will contact all those who have made representations asking them if they have any further views. We will cross check contact details of those who have made representations with you.

I hope this response is as the Examiner expects, please could you ask the Examiner to confirm that this is in order and I will add it to the web site alongside the Examiners note ID-05.

Many thanks

Simon Jenkins
