NO RECYCLABLE
MATERIALS IN HERE

✗ NO THANKS

- Things that can be recycled
- Heavy building waste**
(e.g. bricks, rubble, hard-core and soil)
 - Garden waste**
 - Infectious medical waste
 - Clinical waste**
(e.g. syringes)
 - Hot ashes**
 - Hazardous waste**
(e.g. paint, chemicals, gas bottles,
industrial oils)
 - Commercial waste**
 - Wood**

Extra bins

Collection teams will only collect **one** green bin from each household unless an extra bin has been authorised.

All waste should fit inside the green bin with the lid closed to prevent any spillages. We will **not** collect extra waste left next to, (or on top of) the bin.

A family of six or more people permanently residing in the property or people with specific medical needs may be eligible for an additional bin.

Please visit www.easthants.gov.uk to complete an application form.

Additional bins will need to be purchased by residents or landlords.

GLASS

You can recycle glass bottles and jars using our kerbside glass collection. Rinsed out bottles and jars of all colours can go in the box, but no tops or corks.

- ✗ **No thanks**
- Pyrex
 - Light bulbs
 - Glass panes
 - Lead crystal glass
 - Ceramics

EHDC glass collection boxes can be purchased directly from us. Please contact our customer services team.
