

Council tax information 2024-25

How do you decide how much my household pays?

Almost every home must pay council tax, whether it is a house, bungalow, flat, maisonette or a mobile home and whether it is owned or rented.

Each home is in one of eight valuation bands, according to how much it was worth on 1 April 1991.

Your council tax bill shows the band your home is in.

Finding out more about your council tax band.

The Valuation Office Agency (VOA) maintains the council tax valuation list. This includes placing new properties within a council tax band and changing bands for properties when necessary.

To understand why your property is in a certain band, please visit the GOV.UK website - <https://www.gov.uk/guidance/understand-how-council-tax-bands-are-assessed>.

	Value as at 1 April 1991
Band A	Up to £40,000
Band B	Over £40,000 up to £52,000
Band C	Over £52,000 up to £68,000
Band D	Over £68,000 up to £88,000
Band E	Over £88,000 up to £120,000
Band F	Over £120,000 up to £160,000
Band G	Over £160,000 up to £320,000
Band H	Over £320,000

Is my property exempt?

Some homes, known as [exempt properties](#), do not have to pay council tax. These include properties lived in only by students or people with severe mental impairment and, in some cases, empty properties.

If you think your property could be exempt, please contact us.

Does someone in your household have a disability?

We can reduce your council tax if anyone in your household (including children) has a disability, and your property has an extra bathroom, kitchen, or room to meet the needs of the disabled person.

The reduction is also available if they use a wheelchair indoors. There are discounts and exemptions available to people who are severely mentally impaired.

Please contact us for further details.

Am I entitled to a discount or council tax support?

Your council tax bill assumes that there are two adults in your home. If only one adult lives there (as their main home), we will reduce the bill by a quarter (25%).

If we give you a discount, you must tell us about any change in your circumstance, which could affect your entitlement. If you don't you may have to pay a fine.

If you have successfully applied for [council tax support \(CTS\)](#), the amount of the reduction should be shown on your bill. If it is not shown and we have said you will qualify, we will send you an amended bill as soon as possible. Your CTS will show as a reduction on the bill.

If you are getting CTS, you must remember to tell the council straight away of any change to your income, savings, the number of people in your household or any other change that might affect your entitlement.

You must tell the council within 21 days of the change happening. If you do not tell us within 21 days, you could be prosecuted. If your circumstances change and you are paid too much CTS, you will be required to repay it.

If you have any questions about your CTS please email the benefits section at benefits@easthants.gov.uk or telephone our Customer Services Team on 01730 234175.
