Dear Local Plan administrators

I write to submit to the public consultation a petition that has been running relating to the ALT-8 site, Neatham Down.

As you will see the petition has gathered more than 1000 signatures in the short time that it has been running. The petition will continue to run after the public consultation ends - for the latest figures please visit the following link:

We will resubmit the petition to you again later, so that updated numbers may be recorded.

Regards
